NOTES TO THE STATEMENT

A. Cash and Cash Equivalents

The Association maintains its funds in corporate bank accounts across operating and replacement reserve structures. Funds designated for future capital repairs and replacements are restricted and may not be used for daily operations. As of June 30, 2026, cash balances consisted of the following:

Cash – Operating:	\$ 33,966
Cash – Reserves:	94,641
Total Cash:	\$ 128,607

B. Provision of Year-End Financial Package (Aseessments Receivable & Unearned Revenue)

To ensure long-term fiscal accountability and compliance with Association governing documents, the Board of Directors will provide a comprehensive year-end financial package to all homeowners upon completion of the fiscal cycle.

Assessments Receivable (AR) Aging Balance: A comprehensive breakdown of outstanding member dues, categorized by aging brackets (e.g., 30, 60, 90+ days past due). This schedule will include an evaluation and accounting of an Allowance for Doubtful Accounts (bad debt reserves) if deemed necessary by the Board.

Unearned Revenue (UR): A dedicated schedule detailing prepaid assessments received from homeowners who have paid their dues in advance of the upcoming fiscal period's billing cycle, reflecting these funds accurately as a liability on the balance sheet until earned.

The combined year-end financial package will be uploaded to the official community portal and made available for homeowner review upon the closing and reconciliation of the fiscal year.

C. Approved Budgetary Adjustments

During the current fiscal period, the Board of Directors reviewed and formally approved structural adjustments to the annual operating budget to better align authorized line-item allocations with shifting operational expenses.

Authorization Status: All budget adjustment were voted on, finalized, and approved by a quorum of the Board.

The formal resolution, vote count, and specific line-item reallocation thresholds are officially documented and incorporated within the respective minutes.

D. Board Review

The Board of Directors reviewed all financial activity, balance sheets, and reconciliations through June 30, 2026, as a formal part of its July 2026 Board Meeting.

E. Record Availability and Member Access

In accordance with Association bylaws, a complete, unabridged, and unedited copy of these financial disclosures, budget adjustments, and meeting minutes has been officially published to the community website.

Notice to Readers: These records are provided in an unaudited, unedited format for timely transparency. Because they represent raw, active operational data, they are subject to subsequent review, year-end adjustments, and human or clerical errors.

Homeowners may access these records at any time via the community website <https://bmlcommunity.com/>. Publication to the portal constitutes formal delivery of financial status updates to the membership. The digital repository serves as the official book and record of current Association fiscal standing.
